This Microsoft Research License Agreement including its exhibits (“Agreement”) is a legal agreement between you and Microsoft Corporation (“Microsoft”). Please read it and all of its terms and conditions. They apply to the Microsoft Research Deliverables described in **Exhibit A**, which may include source code and any associated materials, text or speech files, associated media and “online” or electronic documentation, and any updates we provide at our discretion (together, the “Deliverables”). This Agreement also applies to any Microsoft (i) updates, (ii) supplements, (iii) internet-based services, and (iv) support services for this Deliverables, unless other terms accompany those items. If so, those terms supplement this Agreement and apply to the extent they are in conflict with this Agreement.

Examples of non-commercial uses are teaching, academic research, public demonstrations and personal experimentation.
- b. Publication.** You may publish (or present papers or articles) on your results from using the Deliverables if you include attribution.

9. TERM; TERMINATION. The term of this Agreement will commence upon your acceptance of these license terms and conditions and will continue indefinitely unless terminated earlier as provided herein. If you breach this Agreement or if you sue Microsoft or any other party over intellectual property that you think may apply to or read on the Deliverables or anyone's use of the Deliverables, this Agreement (and your license and rights obtained herein) terminate automatically. 14. **LEGAL EFFECT.** This Agreement describes certain legal rights. You may have other rights under the laws of your country. This Agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.
